4. Procedure

5.1. Inquires Receiving and Answering

5.1.1 Customer inquiries can be received through various channels as below;

- Phone call – By dialing Telephone 800990 where the CHE will receive the customer inquiry and answer the same directly on the phone or register a ticket on CRM system in case of technical inquiries.
- Email – The exclusive Email ID dedicated to PCFC Contact Center is info@pcfc.ae where customer/client can directly send their inquiries and an auto generated standard notification email (automated reply) is sent to the customer/client for confirmation of receipt.
- Website and Mobile Services - Inquires can also be posted via PCFC website or Mobile Services in the 'Contact Us' page under Inquiry category which is auto directed to PCFC Contact Center Email

ID info@pcfc.ae, handled by CHE. Simultaneously, an auto generated standard notification email (automated reply) is sent to the customer/client for confirmation of receipt.

- Online Chat - Where the CHE will answer the customer inquiry directly or register a ticket on CRM system in case of technical inquiries.
- Offline Chat messages – will be received as an Email to PCFC Contact Center Email ID info@pcfc.ae for applicable Chat systems handled by CHE.
- Social Networks – Any inquiry on any social network channels.

5.1.2 When an inquiry is received, CHE should evaluate if the inquiry is related to PCFC Business Units services and accordingly:

- Inquiry is clear and related to PCFC Business Units: CHE proceeds with following steps.
- If the inquiry is found to be not related to PCFC Business Units: CHE should reply to the customer and may guide him/her to contact the relevant authorities (where possible).
- In case of missing information or clarification required, CHE can contact the customer to understand the inquiry clearly and capture any missing details to provide the required information.

5.1.3 CHE should segregate the received emails same as below:

5.1.3.1 General Inquiry – Wherein the customer is asking for information that CHE knows and can reply to the customer directly for the same.

5.1.3.2 Technical Inquiry – Segregate the inquiry to the concerned department and updating the customer with the same.

5.1.3.3 Technical Error – Wherein the customer is facing an error while obtaining PCFC Business Units online services and CHE will require the assistance from PCFC IT Service Desk or PCFC Finance Department then update the customer with the resolution.
