

CIRCULAR

To: All Business Units, Consultants and Contractors
Subject: Joint Trakhees-CED & EHS Modification Procedure
Our Ref: Circular-116875
Date: 02 February 2014

Trakhees - Civil Engineering (CED) and Environment, Health & Safety (EHS) divisions are currently processing joint Modification Permit and Completion applications to optimize the approval process.

Applicants are encouraged to submit joint Modification Permits/Completion applications with CED, EHS & Fire documentation either at TKS CED office at Dragon Mart or at TKS EHS office in Jebel Ali, as per the convenience.

Applications for individual Trakhees Divisions will not be accepted after 2nd March 2014.

Service request forms for joint applications can be referred from TKS website <http://www.trakhees.ae/web/ced/modifications>. In pursuit of ensuring the highest standards of services from Trakhees CED and EHS Divisions, we look forward to your co-operation in all our initiatives.
