

CIRCULAR: EHS / Facility Permit /04 / 12

Dated: 21st October 2012

To: All Concerned Contractors, Consultants & Clients Operating under Dubai World Jurisdiction Areas.

Subject: Implementation of Accreditation Program for Facility Permit Standard.

Trakhees-EHS has introduced mandatory Accreditation for all Contractors, Consultants & Clients Operating under Dubai World Jurisdiction Areas as part of the existing and very successful Accreditation Program. The aim of the accreditation is to ensure that all our Contractors, Consultants are made aware of their roles and responsibilities to comply with Trakhees EHS requirements on Occupational workplace. Each company is required to have at least one (1) responsible persons accredited to perform their services within PCFC and Dubai World's Jurisdiction.

Please find below details/schedule for the Facility Permit Regulatory Compliance Accreditation Program:

Course Title	: Facility Permit Regulatory Compliance Accreditation Program
Duration	: One Day program. (8:30 am – 3:30 pm)
Venue	: EHS Training Centre
Who shall attend	: Project Manager / Project Coordinator / Resident Engineer / HSE & Safety Manager etc.

Failure to comply with these requirements will result in suspension of all submissions related to approvals/NOCs from Facility Permit section, E.g. EHS-NOC for BP/MP, MCC/BCC, Risk Assessment (RA) Studies, Scope of Work for RA, COC's of all types, "Demolition & Marine NOC's" etc.

Thus, upon submissions of any applications related to license renewal, approvals or NOC, a copy of the Accreditation Certificate of the person who attended the program must be included. EHS Facility Permit Dept. has the right to reject any application if not supported by the said document.

For Registration or Inquiry about the Facility Permit Accreditation Program Schedule, please email us on EHS.Accreditation@Trakhees.ae or contact EHS Accreditation at 04 806 8888.

Thank you in advance for your compliance and cooperation.

Sincerely,

Senthil Kumar
