

CIRCULAR: EHS/FZIO/02/11

To : ALL BUSINESS UNITS OF DUBAI WORLD AND THEIR CLIENTS,
CONTRACTORS AND OTHER PARTIES INVOLVED IN USING,
HANDLING, STORAGE & TRANSPORTATION OF RADIOACTIVE
SOURCES AND IONIZING RADIATION

Date : 3rd July 2011

Subject : **IMPLEMENTATION OF EHS RADIOACTIVE SOURCE
MONITORING PROTOCOL**

Please be informed that Environment, Health & Safety Trakhees - PCFC has drawn up an “*EHS Radioactive Source Monitoring Protocol*” to enhance the safety standards in Dubai World/PCFC jurisdictional areas and to provide adequate protection to people and the environment against the harmful effects of ionizing radiation.

All Business Units of Dubai world & their clients, contractors and all other parties involved in using, handling, storage and transportation of radioactive sources are hereby advised to adhere to the requirements of this protocol.

The “*EHS Radioactive Source Monitoring Protocol*” can be downloaded through the link <http://www.ehss.ae/forms/07.03regulationio-10.0ehsradioactivesourcemonitoringprotocolb.doc> which is available on EHS website www.ehss.ae.

For any queries/clarification, please contact us through telephone 04-8811881 or by email at Ehs.Fzindop@trakhees.ae.

Sincerely,

G. K. Singh
