

CIRCULAR: EHS / PM / 02 / 12

Dated: 10th May 2012

TO: All companies operating in Dubai Maritime City (DMC) industrial precinct and other interested parties.

Subject: Trakhees Mandatory Approval Requirements

This is to remind all companies operating in DMC industrial precinct that the following approvals and associated certificates issued by Trakhees are mandatory to commence and continue their operations at their allotted facilities.

1. EHS Approval for Lease and License Activities – **Mandatory for all clients**
2. “EHS NOC for Building Permit” and final “Building Permit” from Trakhees-Civil Engineering Department for any sort of modification or for installation of machinery/racking system
3. “EHS NOC for Building Completion Certificate” and final “Building Completion Certificate” from Trakhees-Civil Engineering department after completion of modifications or installations of machinery/racking system
4. EHS Approvals for temporary use of portacabin & material storage – **In case of any portacabin installation or material storage.**
5. Operation Fitness Certificates – **Mandatory for all clients**

Failure to obtain the valid certificates/approvals shall be treated as serious violations to the regulatory requirements of Trakhees- EHS & Trakhees-CED-Building regulations. Hence in order to comply with these regulatory requirements, you are required to obtain all those approvals / certificates within the Fifteen (15) working days from the issuance of this circular. Should there be any further delay in obtaining the approvals could result in imposition of appropriate action that may be in the form of financial penalty/Prohibition Notice against the company.

For any further queries /assistance, please contact Mr.Anwar :050-6535469 / Mr.Cyrus: 050-6445701 or e-mail EHS.Permits@Trakhees.ae / EHS.Ports@trakhees.ae

We look forward to your cooperation in enhancing Environment, Health & Safety standards.

Sincerely,

A Nazeer Hussain

Manager – Ports & Maritime Operations
