

CIRCULAR : EHS / PM / 03 / 12

Dated : 18th July 2012

**To : All Ship Repair Companies and Other Interested Parties Providing Services/
Operating within PCFC Jurisdiction.**

Subject: Implementation of Accreditation Program for Ship Repair Activities.

Trakhees-EHS has introduced mandatory Accreditation for Ship Repair Industries as part of the existing and very successful Accreditation Program. The aim of the Accreditation program is to ensure that all EHS Approved ship repair service providers / clients are made aware of their roles and responsibilities to comply with Trakhees EHS requirements on Occupational Health & Safety and Environmental protection while providing services for vessels calling PCFC Dubai Ports and upkeep of warehouses/workshops inside PCFC jurisdiction areas. Each company/client is required to have **at least one responsible person** from the management side to be accredited to perform their services within PCFC Jurisdiction. This requirement should be complied with before **31st Oct 2012** to continue with uninterrupted services.

The Accreditation program details are:
