

CIRCULAR : **EHS/EN/01/14**

Date : 23rd April 2014

To : All concerned Clients

Subject : Tree Planting Service Program

Kindly be informed that the subject program has taken effect on 21st April 2014 through EHS Regulation EN 14.0 – Administration and Enforcement wherein all non-compliance on relevant environmental standards, i.e. stack emission and discharge of wastewater to harbor and land for irrigation, during the conduct of regulatory monitoring shall be required to plant the corresponding number of trees apart from the primary requirement of rectifying the committed violation. Similarly, financial penalty imposition shall require the Client to fully settle the monetary penalty and to plant the equivalent number of trees.

The abovementioned regulation is available on our website (<http://www.ehss.ae/departments.php?MIO=12&DID=3&SID=6>) for your reference.

Your strict attention is anticipated.

Thank you.
